Response to Arguments

1. Applicant's arguments, filed 9/21/07, with respect to claims 1-11,13-23,25-35,37-47,49-72 have been fully considered and are persuasive. The rejection of these claims has been withdrawn.

Allowable Subject Matter

1. The following is a statement of reasons for the indication of allowable subject matter:

Claims 1-11,13-23,25-35,37-47,49-72 is allowed.

Independent claims 1,13,25,37,49,55,61 and 67 is directed towards a method of:

- receiving a request at the mobile station to originate a call, the request a phone number associated with a private service that is supported by the private network;
- using the phone number, at the mobile station, to locate a service code in a cause table that maps phone numbers to service codes wherein the service code identifies the private service;
- coding a service type field, at the mobile station, contained in into a request message to indicate the private service identified by the located service code; and
- sending the request message from the mobile station to base station equipment for call setup within the private network.

The prior art references individually or in combination fail to render the above underlined unique feature obvious.

Art Unit: 2618

Therefore the independent claims 1,13,25,37,49,55,61 and 67 and their dependent claims are allowed.
